Incident Details:	<p>On behalf of students. We are more than 100 student studying in acharya degree public funded marathe collage in chembur. Last weak collage has issue the circular for not wearing a any religious drees exopt western and Indian dress. Collage have said that if you will not follow a circular student not allow to attend tha lecture. This circular have objectionable and outrage of women modesty As per Indian constitution ,collage has violated article 21 and suprem court verdict.. 1) collage have not define any drees code and uniform. 2) allowed only Indian and westran dress without given vaild reason 3) suprem court said that individual morality can not impose anyone but collage has imposed own morality on a student. 4) right to choise as as artichel 21 of Indian constitution and 29 protect tha right to cultura .but collage has full violated a article 21 and 29. 4) collage are forcing to reveal a women dress as name of Western culture without consent of students. 5) collage are violated article 14 right to equality because the staff of collage wearing religious symbol and worship of God in collage premises but are not allowing muslim students wear cultural dress. we have already discussed tha principle madam in this matter but she is not cooperating with us. We are not against any religion,caste and culture and respect the diversity of culture those enshrine in Indian constitution. We would request to please intervene in this matter and direct tha collage to withdraw anti women and outrage modestly circular as soon possible.</p>
